# LED PLANT & BORDER LIGHT

Light up your plants whether in a pot or along a border!

## ***Sleek, compact design adds style to your landscape.***

The MAXSA LED Plant & Border Lights have a low-profile design that blends into your planting scheme, keeping the attention on your landscaping.

## ***Light your flower beds all night long!***

Converts the power of sunlight into electricity. The included solar panel collects energy during the day and at dusk, the 20 high-efficiency LED's turn on automatically, showcasing your garden in beautiful light!

### ***Comes with:***

- 20 High-efficiency LED's that use a fraction of the power of a normal bulb.
- Solar charging panel with photosensor.
- Runs off 3 AA 1.2V 1000mAH Ni-Mh rechargeable batteries.
- Solar panel and LED's have stakes to secure them in to the ground.

### **Product Specifications:**

Item #:	48820	Master Carton Quantity:	6
UPC:	8 99419 48820 8	Master Carton Dimensions:	18.1"x10"x13.4"
Unit Dimensions:	9"x5.7"x6.1"	Master Carton Weight:	10.0 lbs/4.53 kg
Unit Weight:	1.5 lbs/0.680 kg
